OPEN CALL FOR NOMINATIONS!
APPLICATION FOR NOMINATION TO THE
CAPITAL REGION COMMUNITY ECONOMIC RESILIENCE FUND (CERF)
LEADERSHIP COUNCIL

The Capital Region Leadership Council, the representative decision-making body of the Collaborative, will, through close, meaningful engagement with the Collaborative, consider recommendations moved forward by the Collaborative (a representation of subregions that advance efforts of the Capital Region CERF) and build the regional alignment.

Purpose: To advance Capital Region decision-making during the CERF Planning Phase. The Committee will achieve this by: (1) hearing recommendations, (2) applying the CERF core values of inclusivity and equity, and (3) advising on regional strategic planning.

Shared Vision: To develop an equity-based low-carbon economic plan through an inclusive, transparent, co-owned, and subregional data-informed planning process in the Capital Region. The plan will produce strategies to generate high-quality jobs, clear pathways into new jobs for historically left out populations, and a sustainable and equitable economy in the eight-county region.

Nominations: Members of the Capital Region Collaborative are invited to nominate an individual to serve through the duration of the Planning Phase (about one year) as a member of the Capital Region Leadership Council and/or may nominate themselves by completing the included nominations form. Leadership Council members must live and/or work in at least one of the Capital Region's subregions. Additional information about the overall commitment and [operating processes and procedures of the Leadership Council](#) can be found on the Community Economic Resilience Fund project page on the Valley Vision website.

Nomination Deadline: Nomination forms are due by 5:00 p.m. on September 29, 2023.
