

SACRAMENTO

TREE
FOUNDATION

MISSION

grow thriving communities through
stewardship of our urban forest

PROGRAMS

from seed to slab

SACRAMENTO SHADE

Providing free shade
trees and expert
consultations for 30
years in partnership
with SMUD

Education

Curriculum that spans all ages, abilities, and skill levels. Increasing ecoliteracy and stewardship of our forest now and in the future.

Community Forest

Partnering with neighborhood leaders and organizations to grow the urban forest in under-canopied communities

Community Science

Engaging and empowering the community to take action.

REFORESTATION

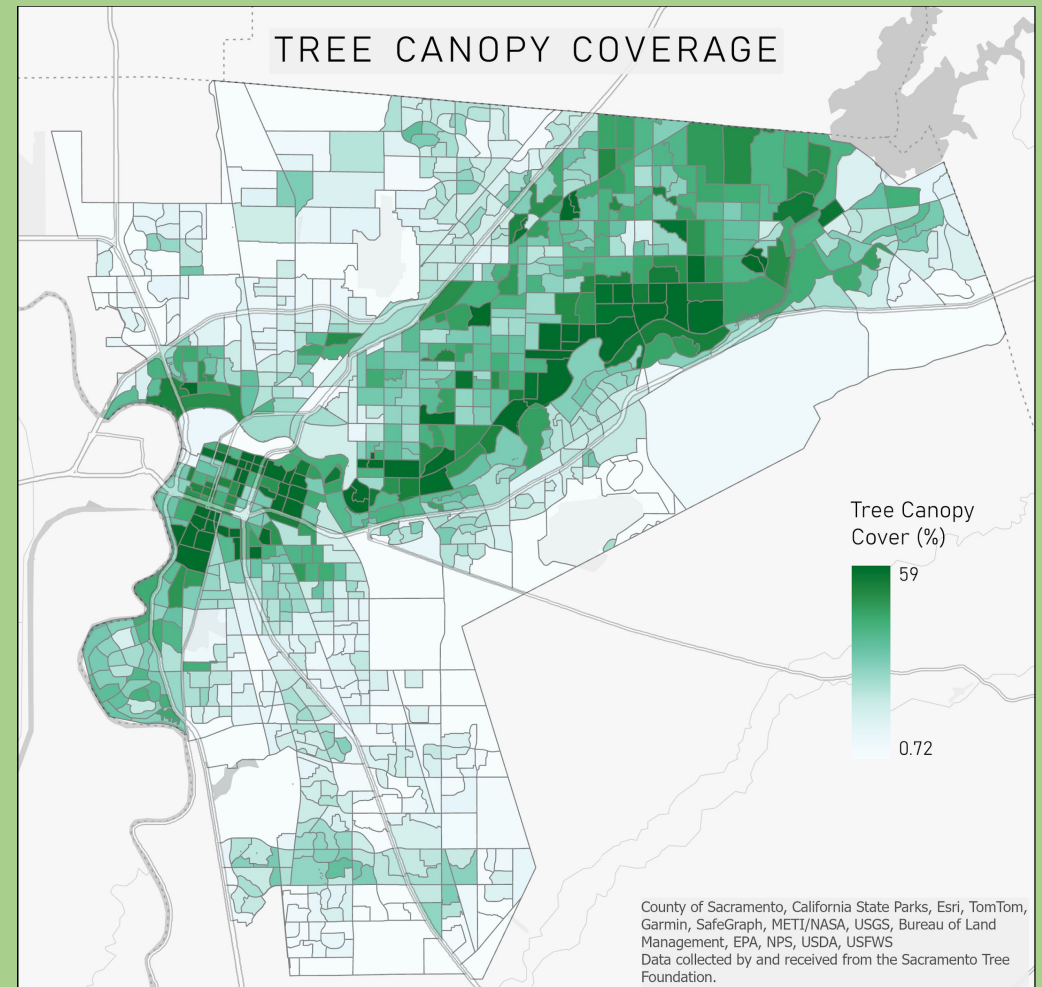

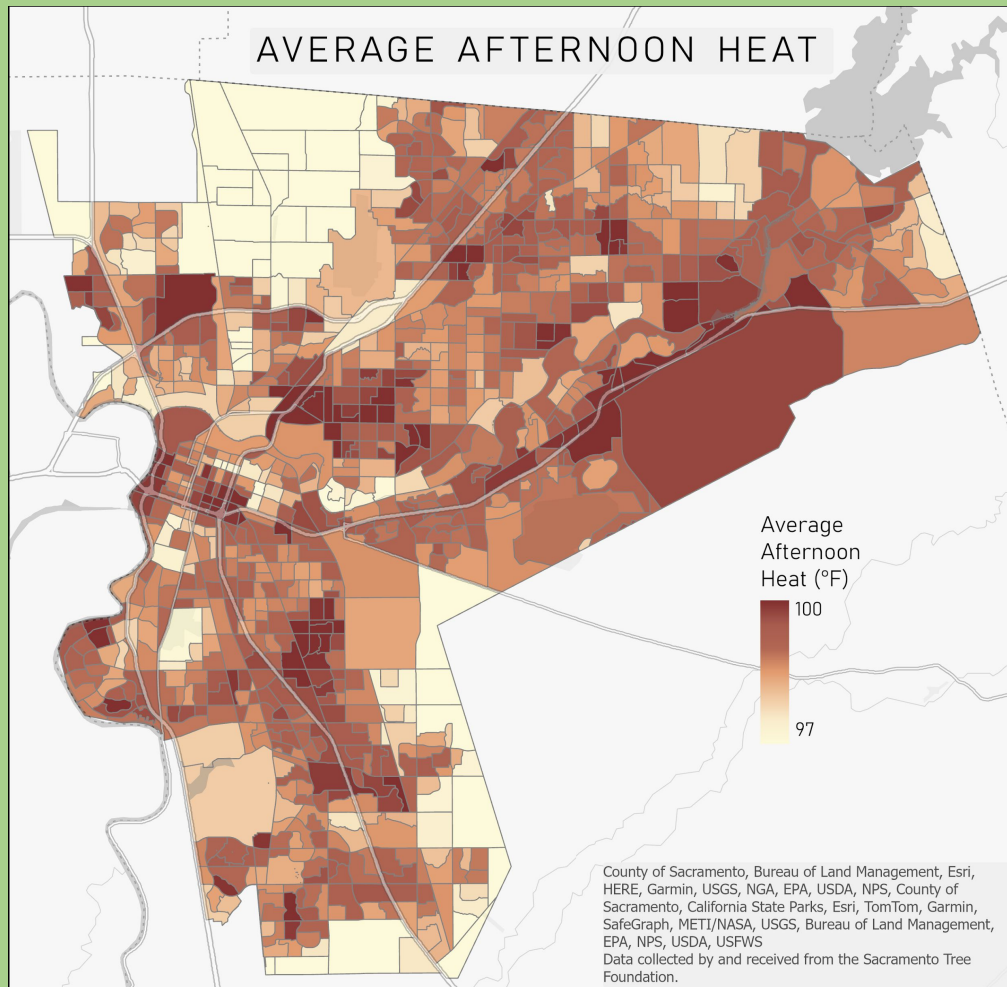

Replanting native trees and plants to replenish and sustain the native flora and fauna of our region

URBAN WOOD RESCUE

Honoring Sacramento's trees by keeping them out of the landfill and giving them new life as live-edge slabs and dimensional lumber; sales support SacTree's plantings, education, and neighborhood programs

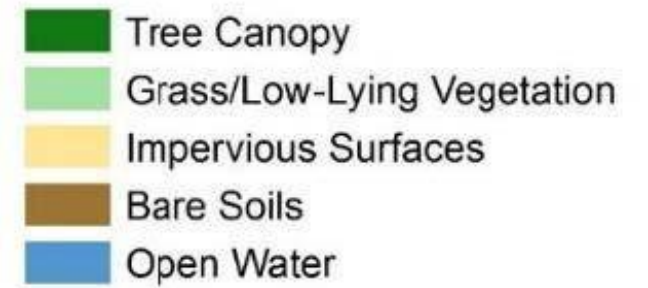

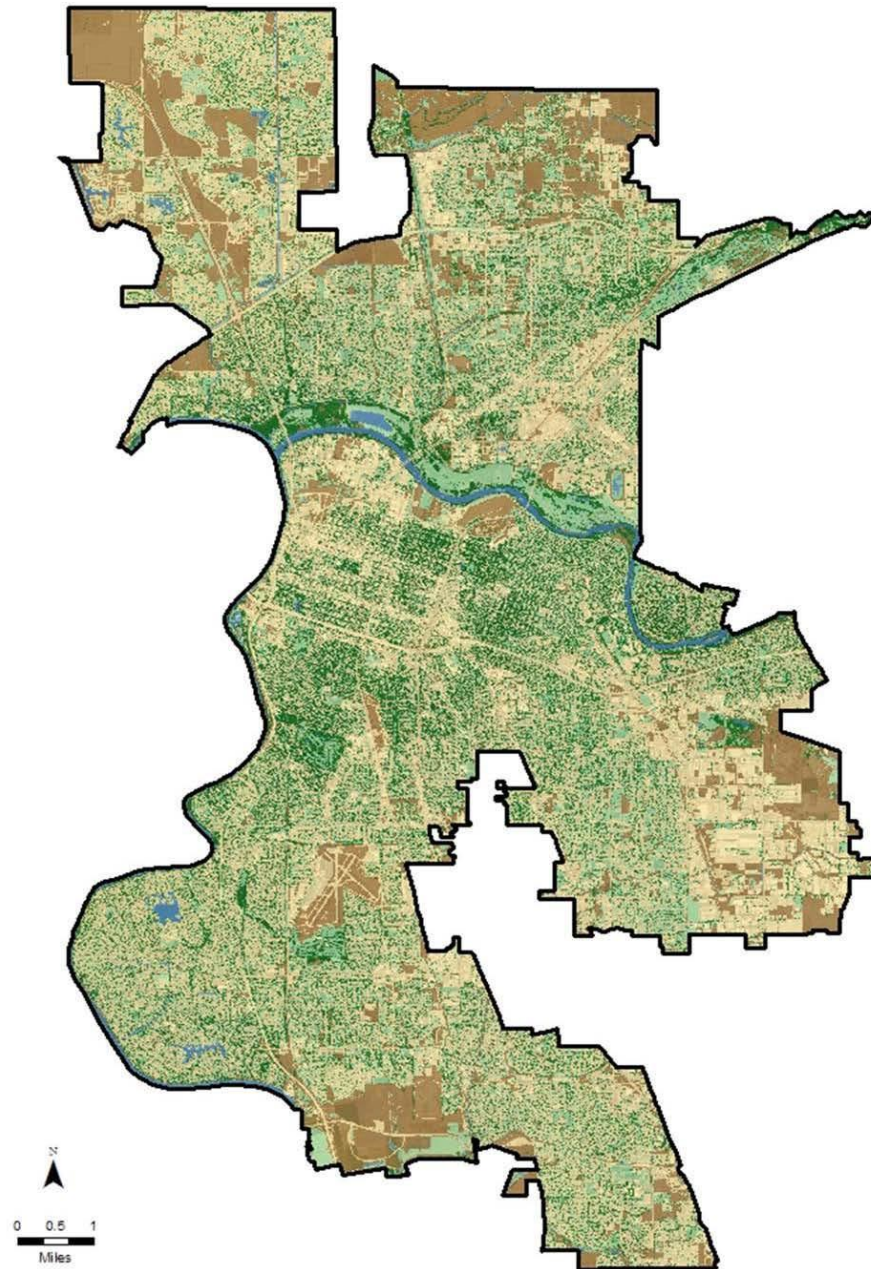

The Story Maps Can Tell

Type of Land Cover Percentage

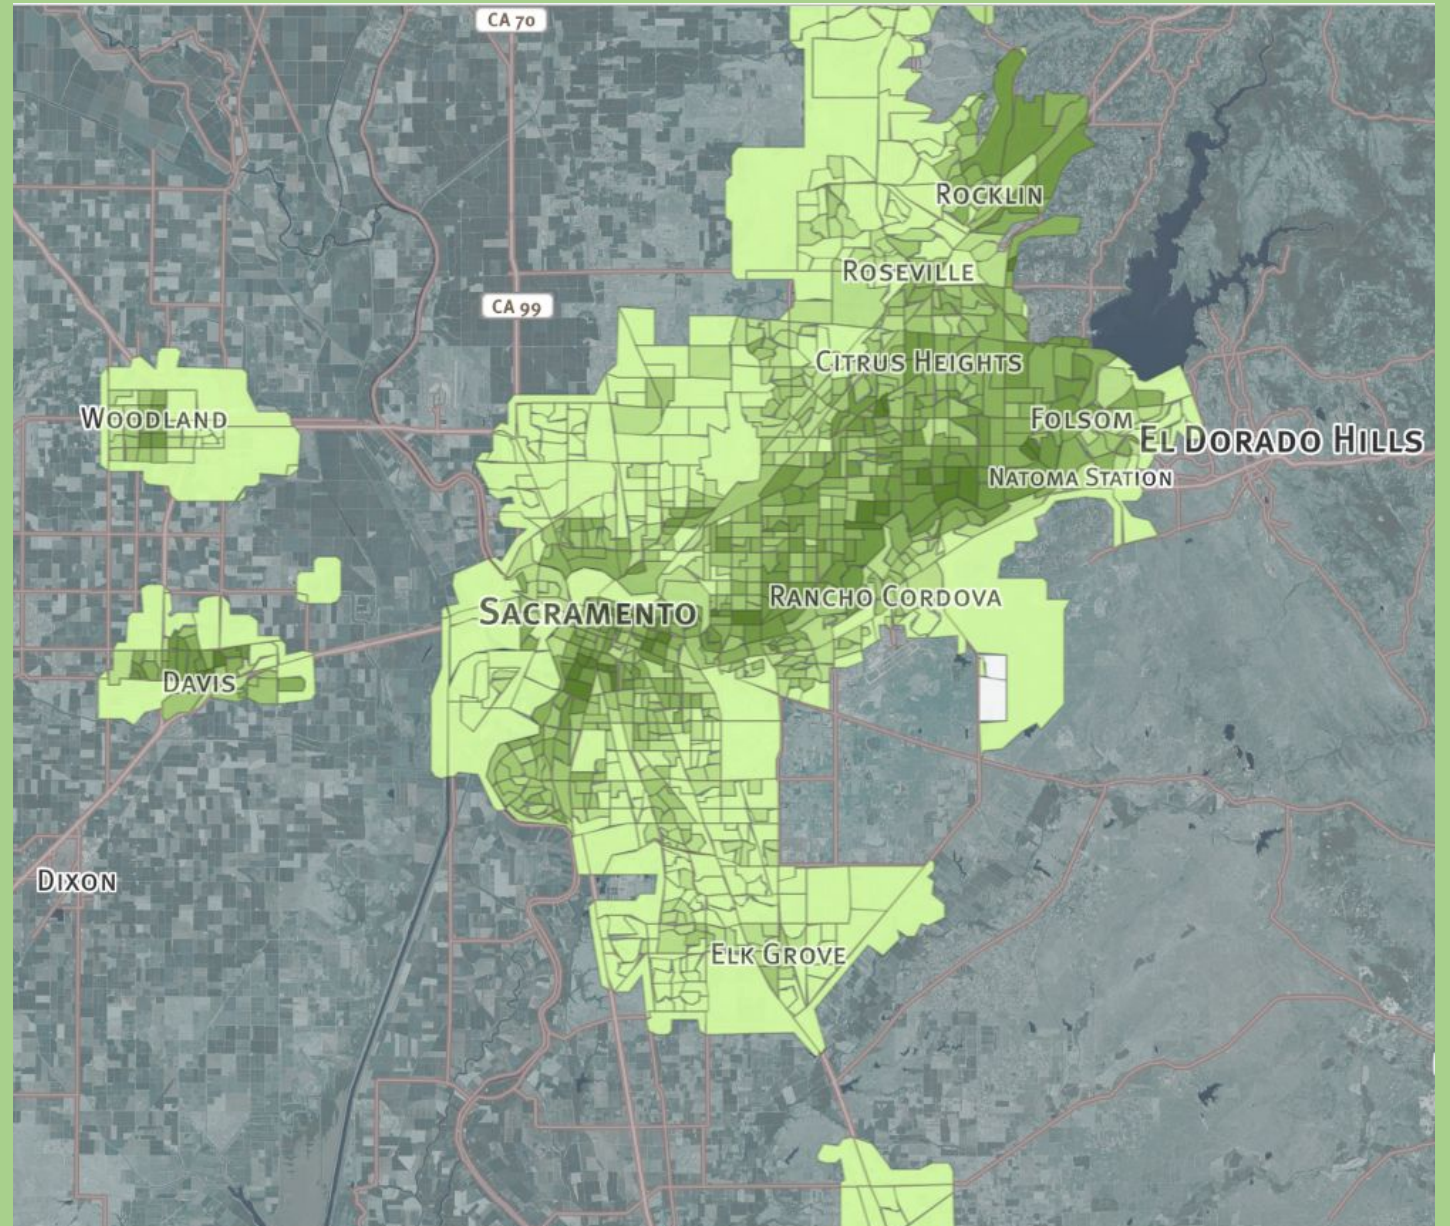

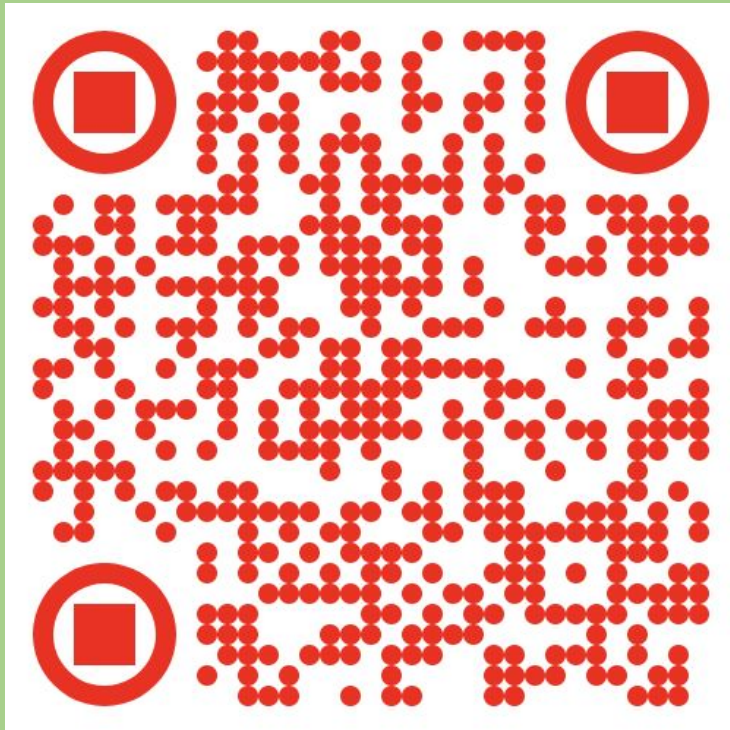

Bare Soil 15.65%
Grass/Low Vegetation 16.82%
Tree Canopy 19.12%
Impervious Surfaces 46.24%
Open Water 2.17%

*2018, City of Sacramento and Dave
Resource Group*

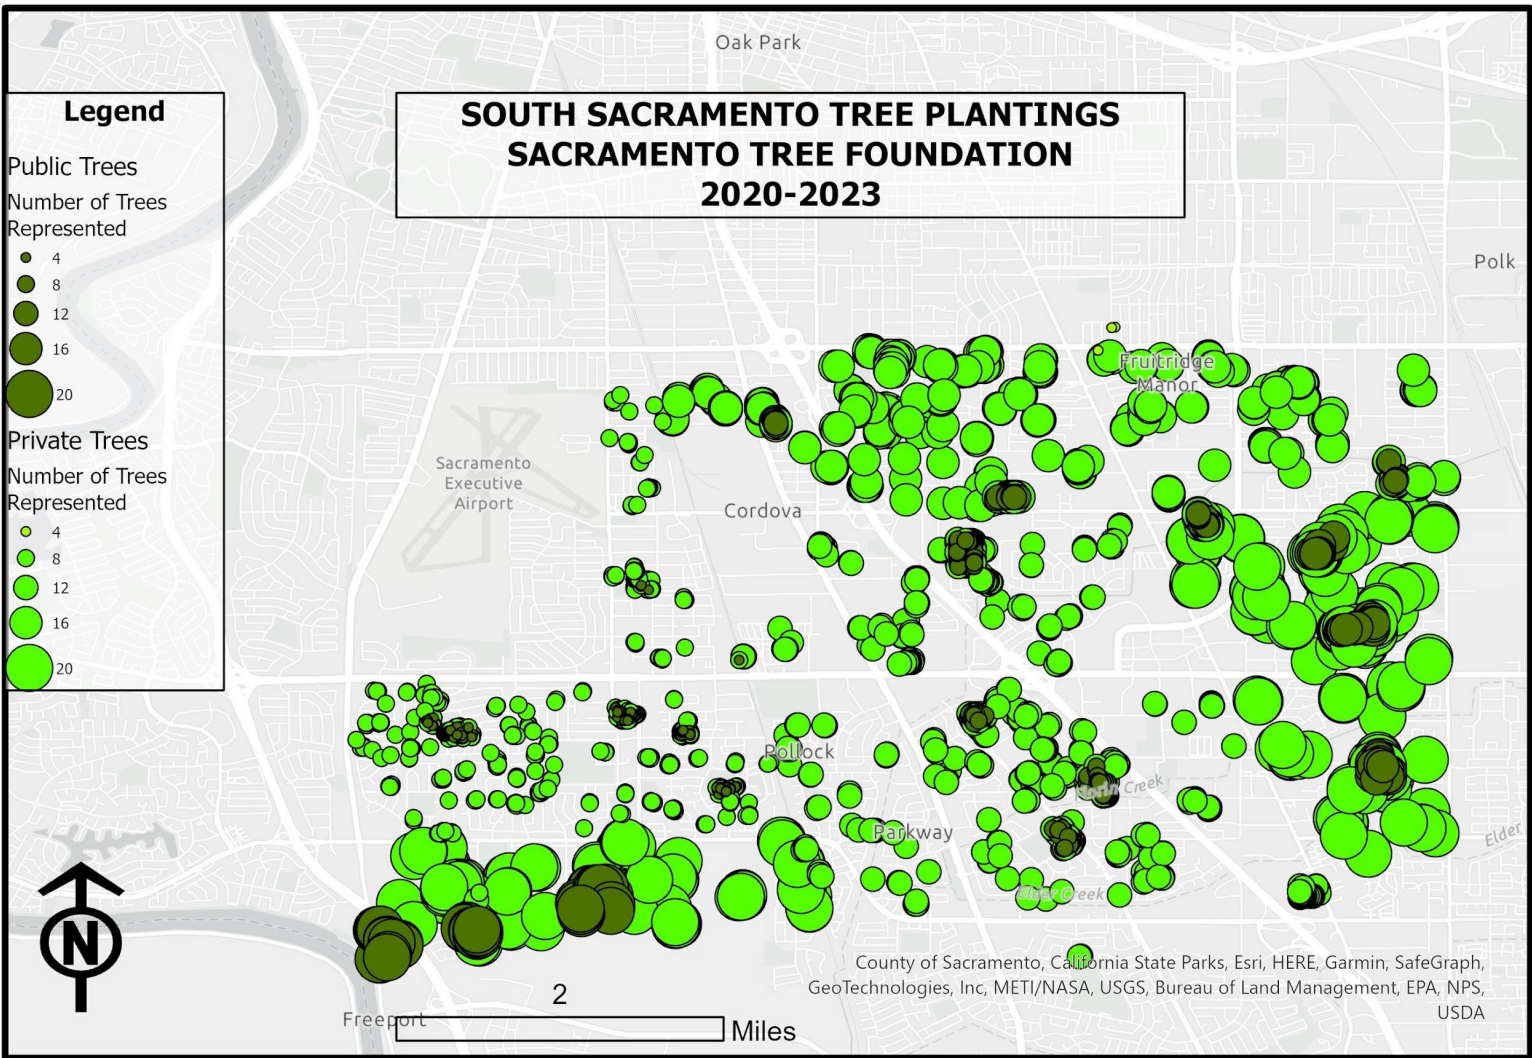

CANOPY ANALYSIS

<https://sactree.org/programs/neighborhoods/>

Now that we have the data, where do we plant the trees?
